RE: Coal Exploration, Cyprus-Plateau Mining Company, CEP/007/006-92B,
Folder #2 and Exploration Folder, Carbon County, Utah

Synopsis

Cyprus-Plateau Mining Company has submitted a Coal Exploration Application. Henry Sauer's memo of February 13, 1992, describes numerous deficiencies. Additional deficiencies are listed below.

Analysis

R645-201-225

The application states that no threatened and/or endangered species as identified on a 1982 list were identified in the area. This 1982 list has changed considerable in the last ten years. Please update this section and provide references as to the declaration of no findings.

R645-201-225

Proper cultural and archaeological clearance must be obtained prior to issuance of a permit.

R645-201-225

The application must include a seed mixture and rates to be used in revegetation. The mixture must be comprised of grass, shrub & forb species which are native to the site.
