Dear Ms. Littig

RE: ACCESS TO SEDIMENT POND 7 PERMIT CHANGE ACT/007/006-F

In response to your letter of August 11, 1993, I offer the following:

The area of the access to the pond is very small (0.03 acre). The drainage from the area runs into the pond; the pond is sized to handle this flow. No additional permit changes are necessary to complete this permit change.

By letter dated August 6, 1993, I sent completed permit change forms for this change, copies are attached to this letter in case you can't find them.

Respectfully,
