Re: Informal Conference
Cyprus Plateau Mining
Castle Valley Ridge Lease Application
UTU-64263

Dear Mr Carter:

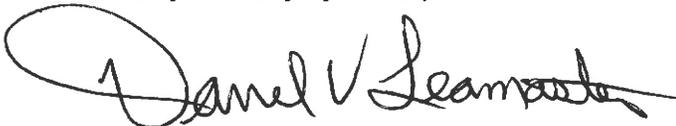

We recently received notice of an Informal Conference on the above referenced matter which is scheduled for June 3, 1993.

We would like to request postponement of the conference. The proposed date would conflict with other meetings we have previously scheduled.

At the present time we are in negotiations with Cyprus Plateau Mining Corp. for a mitigation contract on the Tie Fork Wells. We have been making progress with them on this contract and believe that a 2 or 3 week extension of the hearing would be helpful to both parties.

Please advise us of your decision on a postponement.

Very truly yours,

Darrel V. Leamaster, P.E.
District Manager
