Dear Mr. Sieber:

Re: Letter of Concern, Star Point Mine, Cyprus Plateau Mining Corporation,  
ACT/007/006, Folder #2, Carbon County, Utah

I have received a letter of concern from my staff about your mine. Bill Malencik prepared a report on his observations on the maintenance program of environmental control measures. The report was prepared recently and reviews his perceptions of some changes that have taken place over the past five years.

Should you need more details, I suggest you contact Bill Malencik who is the lead inspector for your mine.

I share the concept that the inspector should point out concerns rather than wait and only take action when issues evolve to compliance problems.

Sincerely,

A handwritten signature in black ink, reading 'Pamela Grubaugh-Littig'. The signature is fluid and cursive, with a large initial 'P'.
