Dear Mr. Dawes:

Re: Draft Documents for the Incidental Boundary Change, Federal Lease UTU-64263 (West Side of Lease U-13097), Cyprus Plateau Mining Corporation, Star Point Mine, Folder #2, Carbon County, Utah

ACT/007/006

Enclosed please find draft documents for the permitting package for the incidental boundary change for Federal Lease UTU-64263. I am forwarding these documents to you now so that some of the preliminary work can be commenced for this permitting action. Mr. Ben Grimes, Cyprus Plateau Mining Corporation, has told me that they will be mining at the lease boundary soon, perhaps by March 30, 1993. It is my understanding that the BLM will be issuing the approval for this portion of the lease within the next couple of days, as well as approving the mining for this IBC also. The Forest Service has approved this action conditioned upon BLM approval.

I will send you the complete permitting package when it is available. Thank you for your consideration in this permitting action.

Sincerely,
