Dear Mr. Grimes:

Re: Road Amendment, Star Point Mine, Cyprus Plateau Mining Corporation,
ACT/007/006-92L, Folder #2, Carbon County, Utah

The Division received stipulation information relative to the widened road on February 1, 1993. No additional information is needed until the Road "A" amended segment is surfaced (blacktopped). Upon completion of the road surfacing, within 15 days, a field survey and the following updates for submittal to the Division will be required including:

- 1) Page 500-38, to reflect changes to Road "A", the amended segment.
- 2) The County Commissioners letter dated January 26, 1993 must be incorporated into the PAP because the County has requested, and the Division concurs, that the amended road is to remain as a county road during and after reclamation in its amended state.
- 3) Page 500-65a must show the amended road specification.
- 4) Maps 521.121c and 534.100b must be updated.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
