Re: Coal Exploration Drilling, Star Point Mine, Cyprus Plateau Mining Corporation,  
ACT/007/006-94C (CEP), Folder #2, Carbon County, Utah

Dear Mr. Jankiewicz:

The Division is in receipt of your letter dated May 13, 1994 in regard to the coal exploration drilling proposal submitted by Cyprus Plateau Mining Corporation to conduct a seven-hole coal exploration project during 1994-1995 on Trough Springs Ridge and Gentry Mountain, approximately 11 miles west of Huntington, Utah, in Emery County. The Division received a copy of this exploration proposal on February 17, 1994 from the Bureau of Land Management (BLM) and sent a recommendation for approval to the BLM on April 11, 1994. This permitting action is outside the permit area and is considered minor exploration, pursuant to R645-201-200.

Thank you for the opportunity to comment. If you have any questions, please call me.

Sincerely,

A handwritten signature in cursive script that reads "Pamela Grubaugh-Littig".
