Dear Ms. Littig:

Cyprus Plateau Mining Corporation has adequately addressed our concerns in regard to addition of Federal Coal Lease UTU-64263 to the Star Point Mine Plan. We have determined that the mine plan is consistent with lease stipulations.

We hereby consent to approval of the mine plan and issuance of the mine permit in accordance with the Surface Mining Control and Reclamation Act of 1977 and associated regulations.

If you have any questions or need any additional information, please contact us at the Forest Supervisor's Office in Price, Utah.

Sincerely,
