Re: Extension to May 15, 1995 - Midterm Review Response Extension, Cyprus Plateau Mining Corporation, Star Point Mine, ACT/007/006-94F, Folder #3, Carbon County, Utah

Dear Mr. Pappas:

Pursuant to your letter dated March 28, 1995, that confirmed the reasons that Cyprus Plateau Mining Corporation is unable to respond to the midterm review (i.e. site accessibility and the delayed review of the consultant's report), an extension is granted to May 15, 1995 for the submittal of the midterm review response.

Sincerely,
