Re: Clean Copies of Revised Mining and Reclamation Plan, Cyprus Plateau Mining Company, Star Point Mine, ACT/007/006-96C, File #2, Carbon County, Utah

Dear Mr. Pappas:

In September 1996 Cyprus submitted a revised Mining and Reclamation Plan which was intended to update and replace the existing Mining and Reclamation Plan. Subsequent submittals were made and in May of 1998 the Division completed the review of the plan and approved it with a few conditions. On September 30, 1998 clean copies of the subsequent submittals were received and the plan became ready for distribution.

A stamped approved incorporated copy of the plan is hereby returned to you for your records. This revised version is now the approved plan upon which your permit is based. Thank you for submitting the additional clean copies.

If you have any questions please call.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".

Daron R. Haddock  
Permit Supervisor
