Re: Submittal of Pages 300-19, 300-20, Topsoil Borrow Area Bond Summary and Chapter 4

Dear Ms. Littig,

ACT 1007/000 #2

AM99B
approved
7/30/99

Under the direction of Johnny Pappas of Plateau Mining Corporation, Star Point Mine we are submitting pagination revisions to the Star Point M&RP. The explanation for the revisions follow:

Once the redline/strikeout information was removed from the "Soil Borrow Area" submittal it was determined that the top of page 300-20 was missing two lines of text, the page which was submitted with the clean copy submittal was not corrected to include the missing the two lines, therefore Star Point is providing the attached pages to correct the exclusion.

For an undetermined reason Chapter 4 pagination is different in the UDOGM Price Field Office copy, the UDOGM Salt Lake Office copy and in our office copy. In one copy, page one is copied on the backside of the table of content, in another copy it is not, therefore the clean copy pages fit well in one copy but not in the others, thus the resubmittal of Chapter 4. The revision dates have not changed. If you have any concerns please check them against your current approved copy.

The Soil Borrow Area bond summary was approved and placed in Exhibit 820.100a, it also needs }
to be added to Exhibit 542.800a.

Bob Davidson can be contacted with question concerning this submittal as well as, Vicky Miller at (435)472-0884 or Johnny Pappas at (435)472-4741. Thank your for your assistance.

Sincerely yours,

Vicky S. Miller
