This office hereby grants a continuance of the royalty rate reduction granted Cyprus Plateau Mining Corporation on Federal coal lease SL-031286 by decision of September 28, 1998.

A royalty rate reduction from 8 percent to 5 percent was granted under Category 2 for all the remaining coal in the lease, but not to exceed a maximum period of 5 years beginning on the effective date of the royalty rate reduction (February 1, 1998).

A certified statement that the conditions that justified the granting of the reduction continue to exist was filed in this office January 22, 1999. Annual certification for continuance of the royalty rate reduction is due by February 1, 2000.
