Carbon County, Utah**

Dear Ms. Littig:

Plateau Mining Corporation (PMC) is with this letter, notifying the Division that its Star Point Mine will be entering into permanent cessation from its present status of temporary cessation.

PMC will commence with the removal of the overland conveyor and fan structures this summer with the backfilling, grading and reseeding of the fans sites anticipated by year's end before weather conditions preclude such activities.

If you have any questions or need additional information, please do not hesitate to contact me.

Sincerely,

Johnny Pappas
Sr. Environmental Engineer
