Re: Refuse Pile Use as Waste Fuel Resource by Sunnyside Corporation Facility,
Plateau Mining Corporation, Star Point Mine, C-1006-AM01C, Carbon County,
Utah

Dear Ms. Grubaugh-Littig:

Plateau Mining Corporation (PMC) is submitting clean copies of the aforementioned. As requested in the Division's Technical Analysis dated August 8, 2001, PMC will also maintain tonnage records of the material transported to SCA's facility. Page 500-12 of the Plan has been revised to reflect the Division's finding.

All other monitoring, maintenance and record keeping associated with the refuse pile will continue to be performed by PMC as required by its mining and reclamation plan.

If the Division has any questions or needs additional information, please do not hesitate to contact me at (435) 472-4741.

Sincerely,

[Handwritten signature]

Johnny Pappas
Sr. Environmental Engineer
