**Subject:** Star Point 4th quarter.

I processed two samples for the Star Point Mine for the 4th quarter 2000. This included samples for :  
Birch Spring CTE 59-22167 11/7/2000  
Big Bear Spring CTE 59-22168 11/7/2000

That empties the pipeline for the Star Point mine.  
Any questions call me.  
Sincerely,  
Ken Wyatt
