Re: Phase III bond release concurrence for the 5.64 acres for 2 operating gas wells on the Star Point C/007/006-BR03Amine permit.

Dear Ms. Wright:

Since this the gas wells are not on Federal surface, are not connected to a mine that contains Federal coal and are not contained in the Star Point Logical Mining unit, BLM does not have jurisdiction over this issue. As an adjacent coal owner, BLM does not disagree with the Phase III bond release (termination of State Coal Regulatory Program jurisdiction) for this site.

If you have any questions, feel free to contact Mr. Stan Perkes at (801) 539-4036.

Sincerely,

James F. Kohler
