Re: Clean Copies, Permit and Disturbed Area Reduction-Sunnyside Cogeneration Associates (SCA), Phillips' Gas Wells and Utility Corridor, Plateau Mining Corporation, Star Point Mine, C/007/006, Carbon County, Utah

Dear Ms. Grubaugh-Littig:

Plateau Mining Corporation (PMC) is herewith submitting clean copies regarding the aforementioned. Due to the length of time it took to see SCA's permitting action through completion, the Division should have Mr. Karl Housekeeper review this submittal to make sure that I have not inadvertently omitted something prior to the Division's "Approved for Incorporation" stamp.

I have kept track of these permitting actions, via the C2 Forms, and I am confident that this submittal incorporates all changes pursuant to the permitting actions, but it wouldn't hurt to have another set of eyes look over the submittal.

If you have any questions or need additional information, please do not hesitate to contact me.

Sincerely,

Johnny Pappas
Sr. Environmental Engineer
