Re: UPDES Report, October 2004 – Permit NO. UT0023736

Dear Mr. Studenka:

I received your letter dated November 18, 2004 wherein you state that all outfalls under this permit have been inactivated. As a result of this inactivation no further DMR's will be submitted for this permit.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Dennis Ware
Controller and Administrative Manager
