Re: 510 (c) Recommendation for Plateau Mining Corporation, Star Point Mine, C/007/0006 *PJL*

As of this writing of this memo, there are no NOVs or COs which are not corrected or in the process of being corrected for the Star Point Mine. There are no finalized civil penalties, which are outstanding and overdue in the name of Plateau Mining Corporation. Plateau Mining Corporation does not have a demonstrated pattern of willful violations, nor have they been subject to any bond forfeitures for any operation in the state of Utah.

Attached is a recommendation from the OSM Applicant Violator System for the Star Point Mine that states there are no outstanding violations.
