Subject: Phase II Bond Release Application, Task ID #2968, Plateau Mining Corporation, Star Point Mine, C/007/0006

Dear Mr. Ware:

A technical review of the Phase II Bond Release application for the Star Point Mine was received at the Division office on May 1, 2008. The information provided in the bond release application is considered inadequate to meet the requirements of the listed regulations. Before approval, the Permittee must provide information to address the following deficiencies.

**R645-301-880.120**, The Permittee must include affidavit that the public notice was published.

**R645-301-880.130**, The Permittee must include a notarized statement stating that all the information in the bond release application is true and correct.

**R645-301-542.100**, The Permittee must include a map of the areas for which the Permittee is seeking bond release that shows the dates when reclamation was completed and the Division granted bond release.

**R645-301-830.140**, The Permittee must update the reclamation cost estimate with 2008 unit costs and an escalation factor through 2011. The Division will provide the Permittee of an update.

The plans as submitted are denied. We are returning copies of the application with this letter. Please resubmit the entire application. If you have any questions, please feel free to call David Darby at (801) 538-5341, or Daron Haddock at (801) 538-5325.

Sincerely,

Daron R. Haddock  
Permit Supervisor
