Attachments: PMC ConocoPhillips Deed.pdf

Kevin,

The closing on the sale of 40 acres within the permit boundary at the Star Point Mine by Plateau Mining Corporation to ConocoPhillips took place today, July 15th 2010. I have attached a copy of the Special Warranty Deed conveying this land to ConocoPhillips. I trust that this is the last document you need in order for the Division to issue the bond release Plateau Mining Corporation.

Many thanks to you and the other member of the Division for your timely work on this critical issue. If you have any questions please let me know.

Dennis Ware

Dennis,
We received this yesterday. Please keep me posted on the status of the sale.

Thanks,
Kevin
