Waste Disposal
Permit Area

Gentlemen,

Kaiser Steel Corporation hereby applies for a permit to dispose of coal wastes, coarse and fine, within the area as outlined on the attached map per MC-715.11(c) and 715.15. This area includes the coarse dump area, slurry ponds, access road to coarse pile, berms along the access road as required by MSHA, and the operations of Sunnydale Mine Inc. Sunnydale Mine Inc. is a wholly owned subsidiary of Coal Facts Inc. and have a contract with Kaiser Steel for the removal and sale of waste material.

Please note that the Disposal Area contains approximately 200 acres with two emergency dump areas of approx. one acre. Also shown are the surrounding revegetated areas.

We thank you for your consideration.

Sincerely,
John S. Huefner
