RE: Kaiser Steel Corporation  
Sunnyside Mines  
ACT/007/007

Dear John:

Enclosed are seven (7) copies of Kaiser's proposed plans for sediment ponds to be located in Icelander Gully and at the base of the course refuse pile.

As the winter season is quickly approaching and Kaiser would like to start construction soon, an expeditious review would be helpful.

Sincerely,

THOMAS J. SUCHOSKI  
RECLAMATION HYDROLOGIST

Enclosure: Plans & specs.
