RE: Scrap Metal and Heavy Timber
Waste Area
Sunnyside Mine
ACT/007/007
Kaiser Steel

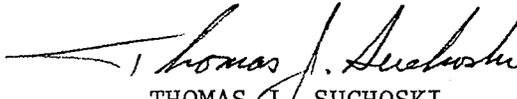

Dear John:

Enclosed is a copy of the Office of Surface Mining's concerns on the plans submitted by Kaiser Steel for the scrap metal and heavy timber disposal area.

As was discussed in our phone conversation for April 14, 1980 the definitions for permit area, adjacent area, affected area or mine plan area are found in Section 701.5 of the Federal Register, Volume 44, No. 50, Tuesday, March 13, 1979.

I hope this information is helpful to you. If you have any questions, please call.

Sincerely,

THOMAS J. SUCHOSKI
ENGINEERING GEOLOGIST

TJS/te
