RE: Approval of Mine Water Discharge Pond  
Sunnyside Mine  
ACT/007/007  
Carbon County, Utah

Dear Mr. Huefner:

The Division has reviewed the information submitted in your August 20, 1981, letter regarding the interceptor ditch above the Mine Water Discharge Pond. The plans submitted have demonstrated the adequacy of the ditch to contain and divert the runoff from a 25-year, 24-hour event. The Division approves Kaiser Steel Corporation's request for exemption of an overflow and emergency spillway at the Mine Water Discharge Pond.

Sincerely,

JAMES W. SMITH, JR.  
COORDINATOR OF MINED LAND DEVELOPMENT
