RE: Revegetation Plan
Sunnyside Mine
ACT/007/007
Carbon County, Utah

Dear Mr. Huefner:

As was indicated during our July 8, 1981, telephone conversation, the species that you have chosen in the 4th revision of your revegetation plan to make up a seed mix and shrub seedling mix are acceptable to the Division. You may begin your reseeding program as soon as you like. If you have any further questions or problems with the plan, please contact me.

I'm looking forward to meeting you and to visiting your minesite sometime in the future.

Sincerely,

SUSAN C. LINNER
RECLAMATION BIOLOGIST
