re: DOGM File Memo
Compliance Measures
dated 2-9-82

Dear Joe,

In response to your letter dated 6-1-82, Kaiser Steel Corporation feels that it is improper to comment on a DOGM "Memo to Coal File". This would be setting a bad precedent with far reaching ramifications. This concern has been expressed numerous times to you by phone and in person.

A better method of notification of the Division's needs for information is requested. Kaiser Steel Corp. desires to fully cooperate with the Division and seeks dissemination of information and requests in the proper form.

Sincerely,

John S. Huefner, PE.
Civil Engineer
