Dear John:

I received a copy of your request for permit to ford Grassy Trail Creek, and request for small area exemption as we discussed at your office October 20, 1982. Thank you for the letter and details.

I have taken over my new job in Oil and Gas Inspection now and will be working full time. I feel sure you will enjoy your new inspector Barton Kale and feel it was a pleasure to work with you and see the great results you did to get into compliance on all problems that we discuss together.

Sincerely,

JEAN L. DOUTRE
