RE: Coarse Refuse Use Study  
Board Order Stipulation 5-81-4  
ACT/007/007

Dear John,

The Division will accept the language proposed in the letter of May 17, 1982, regarding stipulation #5-81-4 of the May 12, 1981 Board Order, if Kaiser concurs that the phrase "if proven toxic" refers to toxicity to humans, wildlife or vegetation. If you do not agree with this definition contact the Division, otherwise the new language will replace that in Kaisers response of March 24, 1982.

Sincerely,

A handwritten signature in cursive script that reads "Sally Kefer".
