November 14, 1983

Mr. Steve Cox  
Reclamation Biologist  
DOGM  
4042 State Office Building  
Salt Lake City, UT 84111

Dear Mr. Cox:

Post mine land use of the Sunnyside Mines is to be grazing, camping, hunting and general recreation. All the present roads and bridges with the exception of the Twin Shafts, Pole Canyon and No. 2 Canyon roads where they leave the bottom of the canyon will be needed for post mine land use. Kaiser Steel Corporation as land owner requests that the Division agree that the roads remain.

Sincerely yours,

KAISER STEEL CORPORATION

  
D.C. Pearce  
Mine Engineer
