Mr. Steve Cox  
DOGM  
4241 State Office Building  
Salt Lake City, Utah 84114

Dear Steve:

Please have someone send me the latest copy of the Utah State coal (underground) mining regulations ASAP. The date on my copy is December 22, 1980.

Apparently DOGM has made quite a number of revisions since that time and it certainly would be helpful if I had them. Thanks alot.

Sincerely,

Marcia Hamann Wolfe  
Reclamation engineer
