Dear Steve:

We have set up a reference area in pinyon-juniper/sagebrush in B Canyon, an area proposed to be amended to the Sunnyside permit application. We need your on-site inspection and approval of this site.

I plan to be at Sunnyside the week of August the 13th. Please advise me if you can come there that week. If not, is there another time after the 6th that we can meet there?

Thank you for your assistance in this matter. If you have any questions, please feel free to call me.

Sincerely,

KAISER STEEL CORPORATION
