Attention: James Smith

Dear Dianne:

The Division has evaluated Kaiser Steel Corporation's April 19, 1984, response to the Draft Technical Analysis for the Mining and Reclamation Plan at the Sunnyside Mine.

The Division has no comments relative to that response; however, our comments of February 3, 1984, remain valid.

Thank you for an opportunity to review the MRP and provide comment.

Sincerely,

William H. Geer, Acting Director
