RE: Sunnyside Mine Coal Permit (ACT-007-007)

Dear Dr. Nielson:

We received a copy of Administrator Klein's letter to the Division dated April 5, 1984 requesting additional information pertaining to the acquisition merger of Kaiser Steel Corporation. As we indicated to OSM and the State of Utah in letters dated March 20, 1984, a new board of directors and new officers have been named to manage Kaiser Steel Corporation. We provided a copy of the names of these individuals with the March 20, 1984 letter. In addition, UMC 782.13(b)(1) requires the name and address of any person who is a principal shareholder in Kaiser Steel Corporation. These parties are as follows:

- Equivest Associates, a general investment partnership composed of J. A. Frates, Robert E. Merrick, P. Peter Prudden, III, J. Anthony Frates, and Stephen I. Frates, located at:

1717 South Boulder  
Suite 302  
Tulsa, Oklahoma 74102

- Charles S. Holmes and Stan P. Doyle, located at:

1414 South Galveston

All other information submitted by Kaiser Steel Corporation in the Sunnyside Permit Application with respect to UMC 782.13 remains unchanged. Similarly, all information submitted in the Application concerning compliance information under UMC 782.14 is unchanged as a result of the acquisition merger.

Mr. Douglas Pearce, Professional Engineer, Kaiser Steel Corporation, will provide OSM and the State of Utah with seven copies of the amended Sunnyside Permit Application as requested by Administrator Klein.

Very truly yours,
