Re: Sunnyside Coal Mine Permit (ACT-007-007); South Lease  
Coal Mine Permit Application (PRO-015-008)

Dear Jim:

On February 29, 1984, Kaiser Steel Corporation underwent an acquisition merger by J. A. Frates, a Tulsa, Oklahoma investor group. As a result of this merger, new officers and a new board of directors have assumed management of Kaiser Steel Corporation. The name of the company, the corporate mailing address and other current corporate information on file with your agency remains unchanged. Kaiser Steel Corporation continues to be bound by the mined land reclamation contract securing the Sunnyside Coal Mine.

We have listed the new officers and board of directors on Attachment A. Please note the changes in management in your files concerning the Sunnyside Coal Mine Permit (ACT-007-007). Attachment A should be substituted for pages II-4 and 5 of Volume I, Chapter 2 of the South Lease Coal Mine Permit Application (PRO-015-008).

Very truly yours,

  
Denise A. Dragoo
