RE: Sunnyside Coal Mine Permit (ACT-007-007);
South Lease Coal Mine Permit
Application (PRO-015-008)

Dear Jim:

By a resolution of shareholders on January 18, 1984, Kaiser Steel Corporation, a Nevada corporation, was merged into Kaiser Steel (Delaware), Inc., a Delaware corporation, effective January 26, 1984. Immediately after the reincorporation merger, the name of the Delaware company was changed to Kaiser Steel Corporation. The sole purpose and effect of this merger was to reincorporate Kaiser Steel Corporation in the State of Delaware. All other current corporate information on file with your agency remained unchanged.

Please note this change in corporate status in your files concerning the Sunnyside Coal Mine Permit (ACT-007-007) and the South Lease Coal Mine Permit Application (PRO-015-008). For your convenience, we have amended the identification of interests on a new page II-4 which should be inserted in Volume I, Chapter 2 of the South Lease Coal Mine Permit Application. See enclosure.
