RE: Consolidated Mining and
Reclamation Plan
Kaiser Steel Corporation
Sunnyside Mine
ACT/007/007, Folder No. 2
Carbon County, Utah

Dear Mr. Fullerton:

Enclosed please find two (2) copies of Kaiser Steel Corporation's Consolidated Mining and Reclamation Plan (MRP) for the Sunnyside Mines. This will replace the previous submissions from Kaiser.

The applicant has referenced the most up-to-date plates at the end of each chapter. The plates referenced are to be transferred from the original permit, ACR response, DOC response, TA response or other sources to this submittal. Kaiser has agreed to provide copies of any plates which cannot be located. Please return both copies of the consolidated MRP to the Division upon completion of your review contract.

If you have any questions or require additional plates, please feel free to call Steve Cox or Mary Boucek of the Division.

Sincerely,

James W. Smith, Jr.
Administrator
Mineral Resource Development
and Reclamation Program
