RE: Ownership Changes as Related
to UMC 782.13 and 782.14
Sunnyside Mines
ACT/007/007, #2
Carbon County, Utah

Dear Mr. Pearce:

As a result of the recent ownership changes at Kaiser, it will be necessary that Kaiser fully address all related requirements of UMC 782.13 (Identification of Interests) and UMC 782.14 (Compliance Information) and submit these updated sections as part of the consolidated Mining and Reclamation Plan (MRP) as previously required by the Division.

The Division requires nine (9) copies of the consolidated MRP (two for Division records and seven for distribution to the OSM).

Should you have any questions regarding this matter, please contact me or Mary Boucek at your earliest convenience.

Sincerely,

James W. Smith, Jr.
