Attn: John Whitehead

Dear Dianne:

The Division has evaluated Kaiser Coal Corporation's November, 1985, revision application for their Mining and Reclamation Plan at the Sunnyside mines. Since this application represents a mere extension of the permit boundary, with no new surface disturbance, there is no concern on our part. The wildlife section actually deals with proposed mining operations (C Canyon and Horse Canyon) that are not part of this permit.

Thank you for an opportunity to review the MRP and provide comment.

Sincerely,

William H. Geer
