RE: Permitting of Coal Preparation
Plants and Loadouts, ACT/007/007

Dear Dr. Nielson

This letter is a response to your letter of October 23, 1985 to Mr. Charles McGlothlin concerning the permitting of coal preparation plants and loadouts. Kaiser Coal Corporation does not have a preparation plant or loadout which is not presently permitted because of noncontiguity. The preparation plant and loadouts at Sunnyside and Horse Canyon are covered by reclamation plans and bonds under Permits ACT/007/007 or ACT/007/013. Please contact us if it is necessary that the form COAL PREPARATION AND LOADOUT RECLAMATION PERMIT APPLICATION be filled out.

Sincerely,
Kaiser Coal Corporation
