#3

Dear Mr. Whitehead:

The material sent to the Division on April 16, 1985 by Empire Engineering was in behalf of Kaiser Coal Corporation. All material in the plan was reviewed and approved as correct by Kaiser prior to submission to the Division.

After approval of the plan, Kaiser will submit twelve (12) copies of all the plates and narrative to be inserted into the mine plan. This includes Appendix III-11 and page 6 of Chapter III.

Sincerely yours,

Douglas C Pearce
