Dear Mr. Whitehead:

Re: SSSF Pond, ACT/007/007, Folders No. 3 and 4

Enclosed are twelve (12) copies of the approved plans for the SSSF Pond. The written material may be inserted in the permit in Book 2, Appendix III-1, Section 9 in place of the design material there. The maps may be inserted in Book 4 in place of the Plates III-12 there.

Kaiser Coal Corporation will submit as-built drawings and cross sections of the pond, certified by a professional engineer, within 30 days of the completion of pond construction.

Sincerely,

Carl W. Winters
Senior Mine Engineer
