Re: 510c Review for Kaiser Coal Company

Dear Ms. Nielson:

The Division has received a transfer of operators request for the Somerset Mine in Somerset Colorado. It is proposed that the permit be transferred from the U. S. Steel Corporation to the Kaiser Coal Corporation prior to the transfer of the coal mining permit, the Division is required to review the status of any notice of violation issued to the applicant for violation of any law or Rule pertaining to air or water environmental protection during the three year period preceding the date of this letter and to determine whether any coal mining permits have been suspended or revoked or bonds forfeited.

Applicant
