Dear Mr. Hedberg:

Re: Request to Amend Underground Water
Monitoring Program, ACT/007/007-86D,
Folders #3 and #9

As requested in the November 17 letter granting conditional approval to a request to modify the underground water monitoring program at Sunnyside Mines, twelve copies of the map are attached. This map has been labeled "GROUNDWATER MONITORING DRILL HOLES, REVISED" and is numbered PLATE III-3a so that it may be inserted into the approved MRP.

We thank you for your assistance in this matter. If you have any questions, please contact Carl Winters or me.

Sincerely,

B. J. Bourquin, P. E.
