Dear Mr. Winters:

Re: Conditional Approval, SSSF Pond Designs, Kaiser Coal Corporation, Sunnyside Mines, ACT/007/007, Folder No. 3 and No. 4, Carbon County, Utah

The information contained in your letter received by the Division on October 30, 1986 has been reviewed by Division Hydrologist Jim Fricke. The plans and designs for the SSSF pond are complete and adequate. Approval with the following conditions is hereby granted.

- (1) Kaiser Coal Corporation shall submit by December 15, 1986, 12 copies of the approved plans for the SSSF pond consolidating correct materials from the July 14, October 16, and October 30 submittals, with page numbers consistent with and in a format suitable for insertion into the approved Sunnyside Mine plan.
- (2) Kaiser Coal Corporation shall submit within 30 days of completion of pond construction as-built drawings and cross sections of the pond, certified by a professional engineer.
