Dear Mr. Pearce:

RE: Request to Amend Underground Water Monitoring Program, Kaiser Coal Corporation, Sunnyside Mines, ACT/007/007-86D, Folder #3 and #9, Carbon County, Utah

The Division has completed its review of Kaiser Coal Corporation's September 16, 1986 submittal concerning proposed changes to the approved groundwater monitoring program at the Sunnyside Mines. The proposal contains insufficient information for the Division to perform a complete technical review.

The attached technical memorandum identifies the specific information which must be provided before the permitting process can continue. Please provide your response by October 24, 1986, if possible.

Thank you for your patience and cooperation in this permitting matter. If you should have any questions or concerns, please contact me or Rick Smith.

Sincerely,

D. Wayne Hedberg
Permit Supervisor/
Reclamation Hydrologist
