Dear Mr. Braxton:

Enclosed are three prints each of as-built drawings of the sediment ponds constructed at Sunnyside in 1987. These are D4-0157 of the Surface Facilities Sediment Pond and D4-0158 of the Coarse Refuse Toe Sediment Pond.

Sheets 1 and 2 (of 2) of Drawing D4-0159 showing actual locations of surface facility area culverts are included. Sheet 1 includes a listing of the culverts installed in 1987.

Following your approval, the remaining copies will be sent. If any further information is needed, please contact me.

Sincerely,
