Dear Mr. Hedberg:

The one volume "Application for Permit Change, Coarse Refuse Pile Expansion, Kaiser Coal Corporation, Sunnyside Mines," received by this office March 23, 1987, has been reviewed.

This office has no objection to the approval of the submitted application as submitted in that the recoverability of the coal reserves will not be affected, and the surface lands involved are not within the public domain.

Sincerely yours,

James W. Dryden
Area Manager
Acting
