Re: Temporary Seed Mix
for Sunnyside Mines
ACT/007/007

Dear Mr. Braxton:

Per your November 17, 1986, request to Mr. Martin Holmes, enclosed you will find twelve (12) copies of revised pages of the Sunnyside MRP. The MRP has been modified to reflect interim revegetation at Sunnyside; this being the reason for the large number of revised pages.

Additionally, you will find updated Tables of Contents and Lists of Exhibits for Chapter III of the MRP. Twenty-four sets of the Table of Contents are provided since it appears twice in the MRP - at the beginning of both Volume I and Chapter III.

Also, Ms. Susan Hasenjager will be sending to you the information on Burnett which you requested.

Your patience in waiting for this material is appreciated. Should you have any questions on it, please contact me at 888-4421.

Sincerely,

Carl W. Winters
Senior Mining Engineer
