Dear Mr. Grosely:

Re: Conditional Approval of PAP Amendment, Temporary Waste Disposal Area, Kaiser Coal Corporation, Sunnyside Mines, ACT/007/007-87F, Folder #2, Carbon County, Utah

The Division has completed its review of Kaiser's Permit Application Package (PAP) amendment and hereby grants approval for the proposed Temporary Industrial Waste Disposal area with the following conditions:

The revised plate will show all pertinent disturbed area drainage control structures which demonstrate the disposal area drainage is contained in a sedimentation pond.
2. By September 25, 1987, Kaiser Coal Corporation will submit 14 copies of the pertinent text contained in Kaiser's June 19, 1987 letter, in revised pages, to be inserted into the approved Sunnyside Mines Permit Application Package.

Thank you for your cooperation in this matter. Please feel free to contact me if you have any questions on this approval or its conditions.

Sincerely,

John J. Whitehead
